School Uniforms for the Confident Child

A School Uniform is a prominent part of being a student. It not only creates an identity for the student but also creates visibility and recognition for the school or institution. A uniform made out of smart modern fabrics and designs, automatically commands respect and awe from the society we live in. It becomes an inspiration to the student and motivates him towards becoming an achiever.

Uniforms radiating performance and smartness are preferred by schools, institutions, parents and children. Everyone wants to look good, as looking smart and confident goes a long way if one wants to excel in life.

Subbhtex Mills has been manufacturing and providing school uniform fabrics since last 29 years. We pride ourselves for the premium quality of our school uniform fabrics and its superior designs. Understanding current trends, and catering to the demand for excellence, Subbhtex has come up with a fresh range of Premium School Uniform Fabrics, specially created to cater to the taste of the new generation students.

Superior Quality Fabric, Comfort, Style and Fit

The quality of our fabrics is excellent, parallel to international fabric quality. Our superior fabrics are skin friendly, comfortable and possess wrinkle free and sweat absorbance qualities. The fall and flexibility of our fabric material, ensures the right fit for any shape and size.

Premium Range Uniform Fabrics

At Subbhtex, we don't settle for second best. What sets us apart from our competitors is that we walk the talk. We give what our client wants – in quality, in designs and more. Enjoy the advantages of our premium range of uniform fabrics.
